

The Twelve Traditions of Dual Recovery Anonymous

1. The primary purpose of DRA is to carry the message of recovery to men and women who experience a dual disorder.
2. DRA has two requirements for membership; a desire to stop using alcohol and other intoxicating drugs, and a desire to manage our emotional or psychiatric illness in a healthy and constructive way.
3. We welcome men and women of all personal beliefs, our program is one of personal freedom and choice.
4. Our groups and service work are guided by the principles of the 12 Steps of DRA
5. Each group is independent, to better meet the recovery needs of our members. We are sensitive to the well being and unity of other groups and to DRA as a whole.
6. To maintain our primary purpose, we avoid all outside distractions. We need not become involved in financial entanglements, lend the DRA name for outside activities and issues, or become drawn into public controversy.
7. Every DRA group ought to be self-supporting.
8. DRA is a volunteer, self-help organization. To carry out our service work, we may employ special workers, form committees and coordinate projects.
9. Our individual dual recovery depends on DRA unity. We carry the message through our personal recovery and our service work.
10. DRA is a non-professional program. We do not provide chemical dependency, mental health or other social services. DRA has no opinion regarding the appropriate use of medications or other methods of managing our symptoms.
11. In DRA we share an equal partnership in dual recovery. Our traditions and service work help us maintain the integrity of our program, to provide for others and to enhance the unity of DRA as a whole.
12. Personal anonymity is the right of every DRA member. We practice anonymity at the level of public media.
